

## Wellow And District Horticultural Society

### Safeguarding Policy

Many of our events are for families who may therefore have young children or teenagers with them. We have a zero tolerance policy for any offensive or inappropriate language or inappropriate behaviour. This includes swearing, making sexual innuendos, sexualised behaviour, aggressive verbal behaviour, threats, bullying, physically aggressive behaviour etc.

Any such behaviour should be reported immediately to the organisers of the event. The organisers retain the right to ask anyone who does not comply to leave the event. A report may be made to the Bath and North East Somerset Safeguarding Board, if this is deemed appropriate.

Parents/guardians/carers remain responsible for their children/vulnerable adults throughout the event.
