Safeguarding Policy for the Annual Flower Show

This is a family show for all age groups. We have a zero tolerance policy for any offensive or inappropriate language or inappropriate behaviour. This includes swearing, making sexual innuendos, sexualised behaviour, aggressive verbal behaviour, threats, bullying, physically aggressive behaviour etc.

Any such behaviour should be reported immediately to the Show Organisers in the Secretaries' Corner of the main marquee. The organisers retain the right to ask anyone who does not comply to leave the show. A report may be made to the Bath and North East Somerset Safeguarding Board, if this is deemed appropriate.

Parents/guardians/carers remain responsible for their children/vulnerable adults throughout the Show.
